

Curriculum vitae Univ. Prof. Dr. Frank Madeo

Personal data

Date of Birth December 27, 1967

Place of Birth Schwerte, Germany

Nationality German

University education

1994-1997 Ph.D. Thesis "Tyrosin phosphorylation and apoptosis in yeast", University of Tübingen, Germany, with first class honors

1987-1993 Studies of Biochemistry, University of Tübingen, Germany

Career history

1997-2004 Group leader at the University of Tübingen, Germany

since 2004 Contract as a Full Professor at the University of Graz, Austria

Career related activities and memberships

Since 2014 Founder, Chief and Editor of *Microbial Cell*

2013 Guest editor for *BBA Molecular Cell Research* coordinating a special issue "Cell death pathways"

2009/2010 Guest Editor for *Cell Death and Differentiation* coordinating a special issue "Apoptosis in Yeast"

Since 2009 Editor for *Cell Death and Disease*

2009 Best publishing scientist of the University of Graz

2009 Organization of the 7th IMYA, Graz, Austria

Since 2009 Editor for *BBA Molecular Cell Research*

2008 Guest Editor for *BBA Molecular Cell Research* coordinating a special issue "Apoptosis in Yeast"

Since 2007 Vice speaker of the FWF-funded research consortium SFB LIPOTOX

Since 2007 Editor for *FEMS Yeast Research*

2005 Organization of the 4th IMYA, Miami, FL, USA

2002 Organization of the 1st international meeting on yeast apoptosis (IMYA), Minho, University of Braga, Portugal

2002 Guest Professor and teaching activity in the Master Course on Molecular Genetics, Minho, University of Braga, Portugal
